

## **Career and Technical Education Program Effectiveness Monitoring**

(Public Notification of Nondiscrimination in Career and Technical Education Programs)

The Henry Ford Academy: Alameda School for Art + Design offers career and technical education programs in Anatomy and Physiology, Forensic Science and Career Preparation 1. Student admissions to these science classes are based on the prerequisites of biology and chemistry. For the Career Preparation 1 class, students have to be currently enrolled as a senior with 18 credit hours.

It is the policy of the Henry Ford Academy: Alameda School not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

It is the policy of the Henry Ford Academy: Alameda School not to discriminate on the basis of race, color, national origin, sex, handicap, or age in its employment practices as required by Title IV of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.

The Henry Ford Academy: Alameda School will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.
